CITY TO PROTEST CLOSING OF DEPOT

The City Council went on record Monday in protest to the proposed closing of the Campbell depot on information from the Chamber of Commerce that Hunt Foods, the Chamber of Commerce and others were likewise filing protests with the State Utilities Commission.

Hunt Foods report from their Hayward office that they expect to move by rail preferably many cases of canned foods here during the year. The Chamber of Commerce industrial committee indicated that definite steps have been taken to have industrial firms locate here, in areas set off by the city in its master zoning ordinance, and that both the Southern Pacific Company and Ford Motor Company industrial department have extended cooperation to the committee, as also has the industrial department of the San Jose Chamber of Commerce toward locating industry in Campbell.

Notice of the proposed closing of the depot was posted the early part of December setting December 29 for closing, and proposing that the business be operated from the San Jose office. The Southern Pacific proposes that the depot key would be left at a garage and the Western Union service under the new arrangement.

William Burnett is depot agent in Campbell.

Sam Cava, president of the Chamber of Commerce wrote to R. E. Mittelstaedt, president of the Public Utilities Commission yesterday protesting intended action, requesting a public hearing be held in Campbell for oral protests. By closing the depot, shippers would then have to go to San Jose or Los Gatos to find an agent and in doing so would be inclined to do other shopping in those cities to the detriment of tax paying businesses in Campbell, Cava stated.

The letter stated further that Hunt Foods expect to make some 300 carload shipments of canned foods in the year and their protest is being filed, along with one one from Western Gravel and other substantial users of rail facilities.

Council Says Flow Blocked

School Has Problem Of Drainage Control

A drainage problem at the approach to the Cherry Lane School is probably one which developed from school grounds landscaping which allegedly blocked the natural east-west flow, it was pointed out Monday by Mayor Richard Morton when a letter was read by Dorothy Trevethan from Ann Meridier, principal of the school seeking that the city take steps to correct the condition. A letter from William . Henley, district superintendent of schools, supplemented the other letter pointing out that children must walk some fifty feet up California street to avoid the standing water following each storm.

The council authorized Mayor Morton to reply as he is familiar with the drainage history before and since the school was built.

The council also approved by introduction of an ordinance the zoning for first residential of the Shady Acres subdivision No. 4 east of Central avenue.

Michael Ferla of April Way was advised through the Mayor by Councilman Gordon Daum that steps are under way to petition that area being incorporated in the lighting district. Council informed it was not their function to advocate a change in mail delivery service, but Daum said house to house service is expected soon according to word from the postmaster.

LeRoy Black, superintendent of utilities, reported that of the 49 notices sent out to property owners to have sidewalks repaired in keeping with a regulating ordinance, all have complied satisfactorily. Mayor Morton and members of the council commended this cooperative service.

A letter from Glenn Baker, county S-D director, commended Police Chief Robert Locke for the clean record here and for full cooperation.

Council approved the map for Latimer Park subdivision so that work may go ahead on the 82 acre subdivision just annexed west of San Tomas Aquina Creek and between Campbell avenue and Latimer avenue.

Necessary repairs on a police car were authorized by the Council so it can be kept in use until a new car can be purchased in February with new tax money.

City Attorney Joseph Bonacina reported that the small arms ordinance would be ready for introduction at the next regulaar meeting.

POSTAL RETURNS SET RECORD

New Mail Route Will Serve East Area Of Campbell

That a new route is to be started after the first of the year to serve homes in the East Campbell area, was the announcement today of Ira Grim, postmaster who said it is to serve any street between Leigh avenue and the San Jose-Los Gatos highway that is fifty percent built up and which has paved streets and street lights.

Grim said that it will be necessary to change routes 3, 4, 5 and 6 within the city limits and rural routes 1 and 2 in order to balance the load to be created with the new route. The route is first laid and surveyed then sent to Washington for approval.

There are today nine delivery routes dispatched from the postoffice serving 37,000 patrons. This does not include the number served in Post Office boxes and special stops made by carriers. The postal department arrives at this figure by considering each stop as serving an average of two and a half people, or 14,800 homes.

Christmas Mail Is Heaviest In History Of Campbell

A fourteen percent increase in postal receipts for 1954 has already been made at the Campbell Postoffice over the 1953 receipts, and a 32 percent increase in the number of cards and letters handled for the Christmas periods, was reported today by Ira Grim, postmaster.

The postal receipts are already over $75,000 for 1954 as compared with $70,000 for 1954 and $62,000 in 1952. For the Christmas season 44,000 cards and letters have been cancelled daily as compared with 34,000 the daily average in 1953. There are twenty extra men on duty as compared with 18 in 1953, one man being continually on the cancelling machine from 5 a. m. to 11 p. m. The figures do not include parcels hand-stamped.

Parcels are to be delivered all through Christmas, with special delivery service on Christmas day, Grim said.

The Campbell postoffice in six years changed from a third class station with $12,000 receipts to first class with $75,000 annual receipts.

CAMPBELL KIWANIS CLUB ENTERTAINS CHILDREN AT CHRISTMAS PARTY

More than sixty boys and girls were guests Tuesday noon at a turkey dinner with members of the Campbell Kiwanis Club, the children being the sons, daughters or related in some way to members, or in some cases a neighbor boy or girl. There were 113 present of which number 53 were adults and 60 were children.

C. P. Klassen led in group singing of Christmas carols with Jack Fischer as piano accompanist. Waynes Fontes was the program chairman. Fontes said that he had worked with the San Jose Recreation Department while a student at State College, so he brought with him Everett Lyda, now head of the department, to put on the entertainment.

Lyda put on a sleight of hand act to the amazement and amusement of the children and grownups.

This is an annual affair for the Kiwanis Club, said Henry Jewell, president, who commented on its increasing popularity.

Salvation Army Collection Date

Tuesday, December 28th, is the date selected by the Salvation Army for discard solicitation in the Campbell area.

Major George E. Engel, manager of the Men's Social Service Center, 575 S. Market Street in San Jose, said that residents who have used materials for his organization may drop a card or letter to the center of call Cypress 4-6316.

Furniture, clothing, and other items are repaired in Salvation Army centers by homeless and handicapped men, then sold to low income families in Salvation Army thrift shops.

"By providing work for these men," Major Engel said, "along with spiritual and social counselling, we are able to return large numbers to respectable places in society. This is possible only because friends of this work donate used materials to The Salvation Army."

MOORPARK SCHOOL WINDOWS SMASHED

Seven windows were smashed at the Moorpark School by vandals on Monday doing $90 worth of damage, then took $4 from a teacher's desk it was reported by the sheriff's office.

NO BONDS FOR DRAINAGE WORK

The office of the County Counsel advised the Board of Supervisors on Monday that a county-wide bond election for flood control and drainage purposes would not be possible, as proposed by the Inter-City Council and several cities within the county. Campbell is not now a member of the council.

Estimated cost of the proposed bond issue might reach twenty million dollars it was pointed out.

The county, which is set up as a flood control district, is divided into five flood control zones.

Donald K. Currlin, assistant county counsel, told the board the county flood control district is empowered to hold bond elections, but only on behalf of zones or participating zones.

Currlin said before the board can call bond elections in the zones, all of the engineering designs for any project to be financed must have been completed and public hearings held.

FIRE DISTRICT FACING CHARGES

The County Central Fire Protection District today faces twelve charges brought against it by the fire fighters local union.

County Counsel Howard Campen, who has been named hearing officer for a pending investigation of the district, released a copy of the union charges today. For the most part the accusations re-iterate charges previously made against district officials by the union.

John E. Thorne, attorney for the union pointed out that steps had been taken to correct many of the situations which existed at the time the accusations were first made in September.

Meanwhile Campen advised the supervisors that a representative of the national board of fire underwriters would take part with the board of fire underwriters of Pacific in a hearing of union charges of inefficiency and maladministration of the district.

Bids Wanted For Service Work On 4 Postal Trucks

Bids are still open for the maintenance housing and servicing of the four new Dodge trucks recently acquired for the Campbell postoffice, according to Ira Grim, postmaster. Any qualified firm wishing this order should inquire immediately at the postoffice, Grim said.

California originated 41 per cent of the total U. S. rail shipments of fresh fruits and vegetables in 1953.

SANTA PASSES OUT 600 BAGS OF CANDY HERE

The kiddies parade held last Saturday afternoon did not turn out quite as well as was expected by merchants. A good sized group of youngsters had been expected to fall in behind the twelve piece band and fire truck carrying Santa Claus and march along with them to the school grounds where candy and fruit were passed out. Instead, most of them watched the parade go by from the sidewalk and then ran to the school grounds after Santa Claus arrived and began passing out his goodies. Even so some 600 bags of candy were handed out to the children after they had a brief visit with the old fellow. The rest has been turned over to the Police to distribute to needy children.

While the children were receiving their gifts and talking to Santa the Memory Post band gave a very good informal concert of Christmas carols which drew quite a crowd around them. Some of the numbers they played were "It Came Upon A Midnight Clear", "While Shepherds Watched Their Flocks", "The First Noel", "Hark! The Herald Angels Sing", "Silent Night", "Joy To The World" and many more familiar tunes.

Noted among the crowd was two year old Emile Rodolfa, grandson of Sam Cava who is conductor of the band. Little Emile was seen directing the band from the rear of the crowd and keeping in perfect time with the music while in his mothers arms. Cava brought the little boy to the front of the band and let him conduct a number which he did in great style. At the close of the selection he had directed he turned to his grandfather and said, "The band's too loud."

BIDS OPENED FOR MONROE SCHOOL HERE

On their low bid of $275,800 the Samuel Barth Company of San Jose was awarded the contract for the construction of the new Monroe School by the Campbell Union Grammar School District board Thursday.

Other bids ranged to $310,000. The County Counsel and the State Department of Finance are to approve the award, but since the bid is well below the amount allowed by the state, approval is expected.

Plans call for starting construction in mid-January on 10 classrooms, two kindergartens, a multi-purpose room on Monroe avenue west of Winchester road.

Henley said the State Department of Finance had allowed $332,000 as a limit for construction costs.

Trustees put $49,000 of recently approved bond money into the project to permit an early start. About $362,000 in state funds will be available for the entire project, Henley said.

CAR IS STOLEN HERE SUNDAY

A 1950 green four door Hudson belonging to Alfred and Maxine Rains of 1325 Hacienda was reported stolen from its parking space on Stanford Avenue at 12:30 a. m. Sunday morning. The theft was reported by Mrs. Rains who was at work at the Five Spot Cafe on Winchester Road at the time. Keys to the car had been left in the sun visor. Police Chief Locke said no persons were seen or heard in the area at that time.

Police Chief Locke has issued a warning to merchants to cash no checks from C. E. Moore. The Police have on hand six fictitious checks from Campbell and three from Los Gatos passed in the name of Moore.

MORE PERMITS FOR NEW HOMES

Permits were issued for two new homes on Cronwell Drive off Leigh avenue in Campbell were issued this week to Austin Garrison who is to build a home costing $11,000 on lot 9 for Clemens Kalvelage and a home costing $13,000 on lot 7 for William McReynolds.

POLICE CHIEF WARNS PARENTS OF DANGER

Police Chief Robert Locke has asked that parents warn their children of the dangers of playing at the Western Gravel Company property or surrounding area. Several days ago two small boys were almost killed by one of the trucks while riding their bicycles through the yards. Since the yard is not locked in the daytime many children are entering and playing around equipment which is dangerous.

Another source of worry, according to Chief Locke, is the number of children playing around the creek in that area. He says the water in the creek is deep at this time with many holes close to the bank reaching from ten to twenty feet in depth. The banks of the creek are just as dangerous as the water, and in fact might be considered more so since the water washes underneath the bank leaving only a hollowed out lip in many places which collapses under slight weight. The mud and silt surrounding the creek it soft, deep, in some places bottomless, all of which makes for a very dangerous playground for any child.

TO HAVE OFFICE ON CAMPBELL AVE.

That a Western Union office would be set up in connection with The Campbell Florist Shop on Campbell avenue next week was the statement today of H. C. Woolley, manager of Western Union at San Jose.

M. T. Blackmun is to be in charge of Western Union services and the office will be open six days a week. Woolley said this is a better set up than at present with the station agent where the office is open but five days a week.

The following boys were awarded arrows and badges according to dens: Pat Bisconti, 1 silver arrow (Wolf); Dean Bowman, 3 silver arrows (Wolf); Jerry Cloyd, Lion's Badge and 1 gold arrow; Tommy Gerin, 2 silver arrows (Wolf); David Houge, 1 gold and 1 silver arrow; Ralph Jewell, Wolf Badge; Dennis Lathrop, Lion Badge and Service Star; George Manuras, Assistant Denner's Stripes; Harry Manuras, Bear Badge and Denner's Stripes; Joe Ross, Bear Badge, 1 gold arrow, and 2 silver arrows; Danny Schaefers, Lion Badge and gold arrow; Melvin Wickliffe, Lion Badge; and William Fuller, 1 gold and 1 silver arrow (Lion's).

The evening's Christmas program opened with the decoration of the tree by all the boys. Next, the boys put on a skit called "Las Posadas" which was introduced by David Bachman. Singers, consisting of Harry and George Manuras, David Bachmann, and Jerry Cloyd who were dressed in Biblical garb, went from inn to inn singing "Silent Night". They represented Mary and Joseph seeking lodges. All the dens represented the inns. The group was refused admittance by all the inns. Finally they came to one innkeeper, Leonard Wickliffe, who admitted them. The "pinata" or bag holding the boys' exchange gifts was torn by the boys and Mr. Wickliffe distributed the presents.

Finally the boys donated pennies to the "World Friendship Fund".

For the closing ceremony the boys, den by den, renewed their end-of-the-year pledge to continue their Cub Scout ideals.

Christmas Seal Sales Increase

Christmas Seal returns are slowing down as the campaign nears Christmas Day, according to Andrew Lassen, Christmas Seal Sale chairman for the Campbell Area.

Contributions are still arriving at headquarters of the Santa Clara County Tuberculosis Association and Lassen was confident that the amount necessary to carry on the association's TB prevention and control program will be reached by the end of January. Total returns to date, are well ahead of last year's with $46,492.53 returned to date as compared to $39,619.92 for the same period last year.

Operetta Is Well Received At San Tomas

"Terry's Christmas", an operetta presented by the fifth and sixth graders of the San Tomas School on the evening of December 16, was well received by a capacity audience. Jeanne Gault in the title role was an appealing ingenue, while the beautiful "Mrs. Prentice" was well portrayed by Phyllis Gail Romero. Others in the cast were: Loretta Bohn, Holly Dulas, John Savitz, Gary Thompson, Wayne Bondgard, Sharon Brentlinger, and Mike Hartman. The setting for the operetta was "Great's" department store where 36 supporting players acted as salesgirls, salesmen, customers and cowboys.

Direction and supervision of the operetta were by Mrs. David Graham-Armstrong, Mrs. Henry Duus and Mrs. Leland Johnson. Set decorations were by the classes of Mrs. Mary Bailey, Mrs. Anamarie Schafer and Sam Cook. Makeup was under the supervision of Mrs. Joseph Vosti. Piano accompaniment of musical numbers was performed by Jack Fischer.

The operetta was preceded by a caroling processional of the primary children, under the direction of Katherine Matson and accompanied by Mrs. Helen Powell. Between acts a chorus of forty voices sang carols directed by Eugene Blackburn and was accompanied by Helen Powell. The Christmas program took the place of the regular P. T. A. meeting for December.

San Salvador Family Visits In Campbell

Paul S. Becker, director of Escuela Americana at San Salvador, flew in from Central America Monday to join his wife and three children for a three weeks stay here at the home of Mr. and Mrs. Ethan Lanphear at 636 Sweetbriar Road. Becker was for several years principal of the Campbell Union Grammar School until 1943, serving under Ira Abbott who then was superintendent. The school in El Salvador of which he now is director, enrolls 375 students of various nationalities, has four school buses and instructs in both Spanish and English. El Salvador is the name of the Republic while San Salvador is the name of the capitol city. Weather is pleasantly mild at San Salvador the year around because of the high altitude.

LOS ALTOS CITY HALL PROPERTY IN ESCROW

Los Altos—City Attorney Gardner Bullis said the J. Gilbert Smith civic center site purchase by the city council will be in escrow by the end of this week. The state allocations board is expected to weigh the city's formal request for $26,000 in matching funds on Tuesday in Sacramento. The 8.87 acre property will be purchased for $115,000. The sale is contingent upon action this year for tax reasons, attorneys for the Smiths, stipulated. The site adjoins San Antonio School. The acre plus Smith homesite will be deede as a gift to the city after the couple's death.

'SONG OF PEACE' IS WELL RECEIVED

The Christmas play, "A Song of Peace" written and directed by Kenneth Wallace of the Campbell high school faculty was well received Wednesday at the school assemblies and the public appearance that evening. The a capella choir directed by Frank Triena and the orchestra directed by Richard Gordon did much to make the play a success.

A variety of acts was presented at the assembly by freshman students.

Come to Church Christmas

TREASURES OF THE SOUL

THE CONGREGATIONAL CHURCH will hold its annual midnight Christmas Eve Candle-Light service from 11:00 p. m. to 12:01 a. m. next Friday evening, December 24th. This beautiful candlelight service of special music, carols and meditation has been observed in the Church so many years it has become traditional. Reverend Corwin Olds will use as his text "The Language of Christmas".

After the service, hot gingerbread baked during the service, and hot chocolate or coffee will be served.

For his Christmas message Reverend Olds says the more we learn about "The World We Live In", the more we marvel at the greatness of God. The agelessness and magnitude and complexity of the external world is staggering to the imagination; and back behind it all stands God.

But the lesson of Christmas is, that great as is the external world, the inward world of the soul is still greater, more important, of more value. The scientists reveal vast and unsuspected treasures of the earth: Jesus reveals vast and unsuspected treasures of the soul. He came to "save" the world of spiritual values; but He only can do so to the extent that individuals will welcome His birth in their hearts.

Crowds Expected At Services On Christmas Eve

Christmas Eve will find many of the Churches of Campbell holding Candlelight services with special emphasis on carols and meditation on the birth of Christ. Ministers yesterday indicated they expect capacity to over flow crowds at their midnight services because more than ever before people seem to be turning to the Church on Christmas Eve for inspiration. Each year a greater number of people attend the Church of their choice. They come singly and in family groups, all to hear of the miraculous birth of the Christ child on that night in Bethlehem long ago.

It has become a tradition with young people in some of the Churches to go caroling at the various hospitals, home of the sick and of friends before group attending the Candle-Light services. It brings a spiritual lift to any who hear the young voices in song on the dark winter night.

Sequoia Sewing Club Holds Party

A dinner, served by members of the council, preceded the recent meeting of the Sequoia Sewing Club of Netops Council No. 247, Degree of Pocahontas, when it met for the annual Christmas party in the home of Mrs. Carmin Falso. Following a short business session, games were played and gifts exchanged. Families of affiliates were in attendance for the gala Christmas party in which students of Madelyn Brown's dancing class provided entertainment, and Santa Claus made an appearance to distribute gifts and candy to all the children. Community singing concluded the evening's festivities.

Because the next regular meeting night falls on Christmas Eve, the session has been cancelled. The council will convenet the second Friday in January. Members are requested to bring their donations for the Christmas Family to the Blue Bell Cafe in Campbell before or on Thursday, December 28rd.

Members attending the party were Mesdames Stan Rhode, Ben Radford, Jess Peters, Forrest Chapman, George Reynolds, Clare Austin, Maxine Smith, John Morris, Edna Black, Walter Lamb, D. Gutierrez, Mallie Dorsett, Thelma Nelson, Lewis Haller, Marie Brown, Ray Gilpatrick, Verlye Cleveland and Miss Rayetta Nelson. Guests of the club were Mesdames Joyce McClung, Sue Bloomquist and Mary Black.

Blossom Valley Garden Club Has Unusual Party

The colonial home of President Mrs. William Dose of the Three Oaks ranch at Cupertino was the setting Wednesday of the annual Christmas tea of the Blossom Valley Garden Club. In the living room were life-sized figures of the "Sno" family grouped about the Christmas tree which stood in front of a massive antique mirror.

Sylvia Toy, ballet dancer, entertained. The table decor was a red and silver arrangement. Mrs. Fred Starbuck and Mrs. Earl Dodson poured from the antique silver toby and coffee urn. Club hostess was Mrs. Zeno Hallet.

New Telephone Directory Will Be Out Next Week

Stickers bearing new telephone numbers are being mailed to many residents in Campbell. These stickers should be placed on the telephone.

"Number changes are necessary before we can establish a new telephone central office building which will provide more telephones for Campbell and South San Jose," said T. T. Cook, district telephone manager.

Many FRanklin 8 numbers will be changed to new numbers with the prefix ESsex 7.

Some people who have FRanklin 8 numbers will get new numbers but still retain the FRanklin 8 prefix. The new numbers will go into effect December 28 and will be listed in the January 1955 telephone book.

MINERAL BOOKS TO BE REISSUED

Plans for a revised, up-to-date edition of "Minerals of California" were announced by Olaf P, Jenkins, Chief, California Division of Mines, in San Francisco this week.

"Minerals of California," published as Bulletin 136 in 1948, is now out of print, Jenkins said. The new edition is in the planning stage but will not be ready for at least a year.

Jenkins pointed out, however, that most libraries in the State have one or more copies of the publication which may be consulted.

MERRY CHRISTMAS TO ALL

"Merry Christmas" is one of the most meaningful greetings man has ever spoken. It is happy, it is unselfish, it is hopeful. It bespeaks faith in our fellow man in the God whose sons we are. It symbolizes love and generosity.

This week, while the story of Bethlehem is being told in homes across the very reaches of the earth, the other Christmas story is being told, too. That is the story of Santa Claus. For Christmas is a doubly blessed day. It is the day of God's gift to man of love and life eternal. And it is the day of man's own poorer, but still blessed, outgiving of himself to his fellows.

The giving of gifts always will be a precious part of the Christmas holiday. Sometimes we tend to overdo good things, of course. Commercialism can tarnish the beauty of Christmas giving. It is good to keep our eyes upon the Star, and to remember that in Bethlehem the humble adoration of the shepherds was as rich a gift as the gold and incense of Kings.

So let's keep Christmas sacred; and let's keep it merry too. The Bethlehem story glows deep in the hearts of men. The Santa Claus story sparkles in the eyes of excited children.

And after all, Christmas IS the Child's day.

CRIME IN COMIC BOOKS

The Board of Supervisors in adopting an ordinance this week restricting the sale or distribution of crime comic books and literature of an obscene nature, did a fine service to thousands of homes in Santa Clara County. It may be difficult to legislate against such sales but a step has definitely been taken toward their control on the open market. In effect, the ordinance seeks to halt the exploitation of crime.

The comic book industry sent a representative to the board meeting Monday to say that since two years ago a clean-up campaign was started that will go far beyond any possible ordinance which a county or a city may adopt. That also is a help even if but half-hearted and subject to a relapse from time to time.

There are too many young minds being warped by the rot in these books and from some programs on the television and the movie screens.

It is high time that constructive action be initiated by governmental agencies so that the American way of life may more truly be exemplified in its own natural way.

American history is in itself the roots of character, of opportunity, of fidelity, and of faith in tomorrow. The crime comic books which have been the target of the new county ordinance, have none of these attributes.

There is always a place for good, wholesome humor, in all walks of life. It is far from the range of this legislation.

SCIENTISTS HONOR US

California will be honored next week by the presence of the outstanding scientists of the nation who will come here for the 121st meeting of the American Association for the Advancement of Science on the University of California campus in Berkeley.

It is the first national winter meeting of the Association ever to be held on the Pacific Coast although the Association has held several of its smaller summer meetings in the West, the first at the Panama-Pacific International Exposition in San Francisco in 1915.

Almost every field of human knowledge and inquiry will be heard from at this conclave and in the meetings of the 256 learned scientific societies which will be held in conjunction with the big meeting. The program of the convention alone is 420 pages long and its roster of hundreds of speakers is a scientific "Who's Who".

The presence of this great gathering on the shore maturity of our Western culture and its contributions to the world of science. The University of California which is host to the Association, with its re of San Francisco Bay is additional evidence of the cent enormous contributions to the science of nuclear physics, is a good example of this.

Californians may take additional pride in having been chosen as the meeting place for this great organization whose members are hard at work on the frontiers of knowledge to make life better for the human race.

CAMPBELL 100 PERCENT!

Safe driving day, observed on December 15 has been rated only moderately successful in that, despite tremendous effort, the death toll reached 45 throughout the nation. The average day accounts for sixty traffic deaths.

It might have been more encouraging had the toll been less, but if fifteen lives were saved, then the united effort was worth while. If that many were saved every day, there would be 5,500 fewer traffic victims over a twelve-month period.

In Campbell, the record was clean with no deaths and no injuries, according to Police Chief Robert Locke. Chief Locke told the city council Monday evening there was fine cooperation here for safe driving day. Thas is a pleasant way of living, and we do mean living.

T. T. Cook, Jr., your Telephone District Manager for Campbell

Outdoor telephone booths get new look

Here's the kind of telephone booth you'll see us using in many outdoor installations from now on. And we think you'll like it a lot. Instead of wood, it has a silvery-white aluminum frame, with big glass panels that will give you better lighting. You'll also find it roomier and better ventilated than the wooden models. These handsome new booths cost less to take care of, too . . . and last longer. They help us bring you more and better telephone service at low cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Save time—check doubtful numbers before you call

Lots of times—especially when people are in a hurry to talk to someone—it's a temptation to call a telephone number they're not quite sure of. But studies we've made show that a caller often winds up getting the wrong party in cases like this. For memory can play strange tricks with telephone numbers. And, of course, this means inconvenience and wasted time. That's why we suggest you look up numbers in your directory whenever you're in doubt about them. You'll complete your calls faster and save yourself a good deal of trouble in the long run.

Here's hoping you enjoy a Merry Christmas and a Happy New Year

As another year draws to a close, we hope we've been able to bring you the kind of telephone service *in Campbell* during 1954 that you want and like — fast, dependable, courteous. And we intend to do all we can to make it even better during 1955. Meanwhile, all of us here at Pacific Telephone join in wishing you and your's the best of everything during the Holiday Season. **Pacific Telephone**

GEORGE TUTT MASONIC LODGE FETES CHILDREN

Big Jim DeNoon, radio and television star, who is well known for his performances on the Hoffman Hayride program, entertained both children and parents at the first Childrens' Christmas Party given by the George Tutt Masonic Lodge last Saturday evening in the I. O. O. F. hall.

Seventy children attended the gala party and visited with Santa Claus who in turn gave each a nice gift and a bag of candy. "Big Jim" provided a high spot to the program when he discovered a miniature violin among Santa's gifts and proceeded to play it much to the childrens amusement. Following a movie, some of the children presented a program of Christmas poems and songs. The turn out of children and members was so good the lodge plans to make the party an annual affair.

Chairman was Joe Feasel. He was assisted by co-chairman Clyde Barham who also doubled for Santa Claus.

'THE SPIRIT OF CHRISTMAS'

By Clara Beebe Baldwin

The good Lord softens the heart of man
At Christmas time for a happy span
The wild world forgets all cold reason
Glorified by Love's perfect season.

The rules we live by change
To new ideas, sweet and strange.
Cheery bells, from high church steeples,
Sound joyous refrains to all of the peoples.

Of the happy Season with never a tear
To all of mankind gathered here
Then there comes to the listening ear
The sound of a sleigh and tiny hoofs
Dashing and clattering over the roof.

Of their hearts' Now their eyes see
What was hidden by practicality.
The beauty of a radiant tree
The starlit Holy Night.
Soft glow of candlelight.

New faith in many shining faces
With joy ruling in some strange places,
Instead of getting, people are giving,
Is that the secret of happy living?

Giving themselves, giving their treasure,
No thought of wealth, no thought of measure,
Giving with no thought of color or creed.

Living as did the Saviour of old,
By the Golden Rule, not the rule of gold.

'CHRISTMAS IN CALIFORNIA'

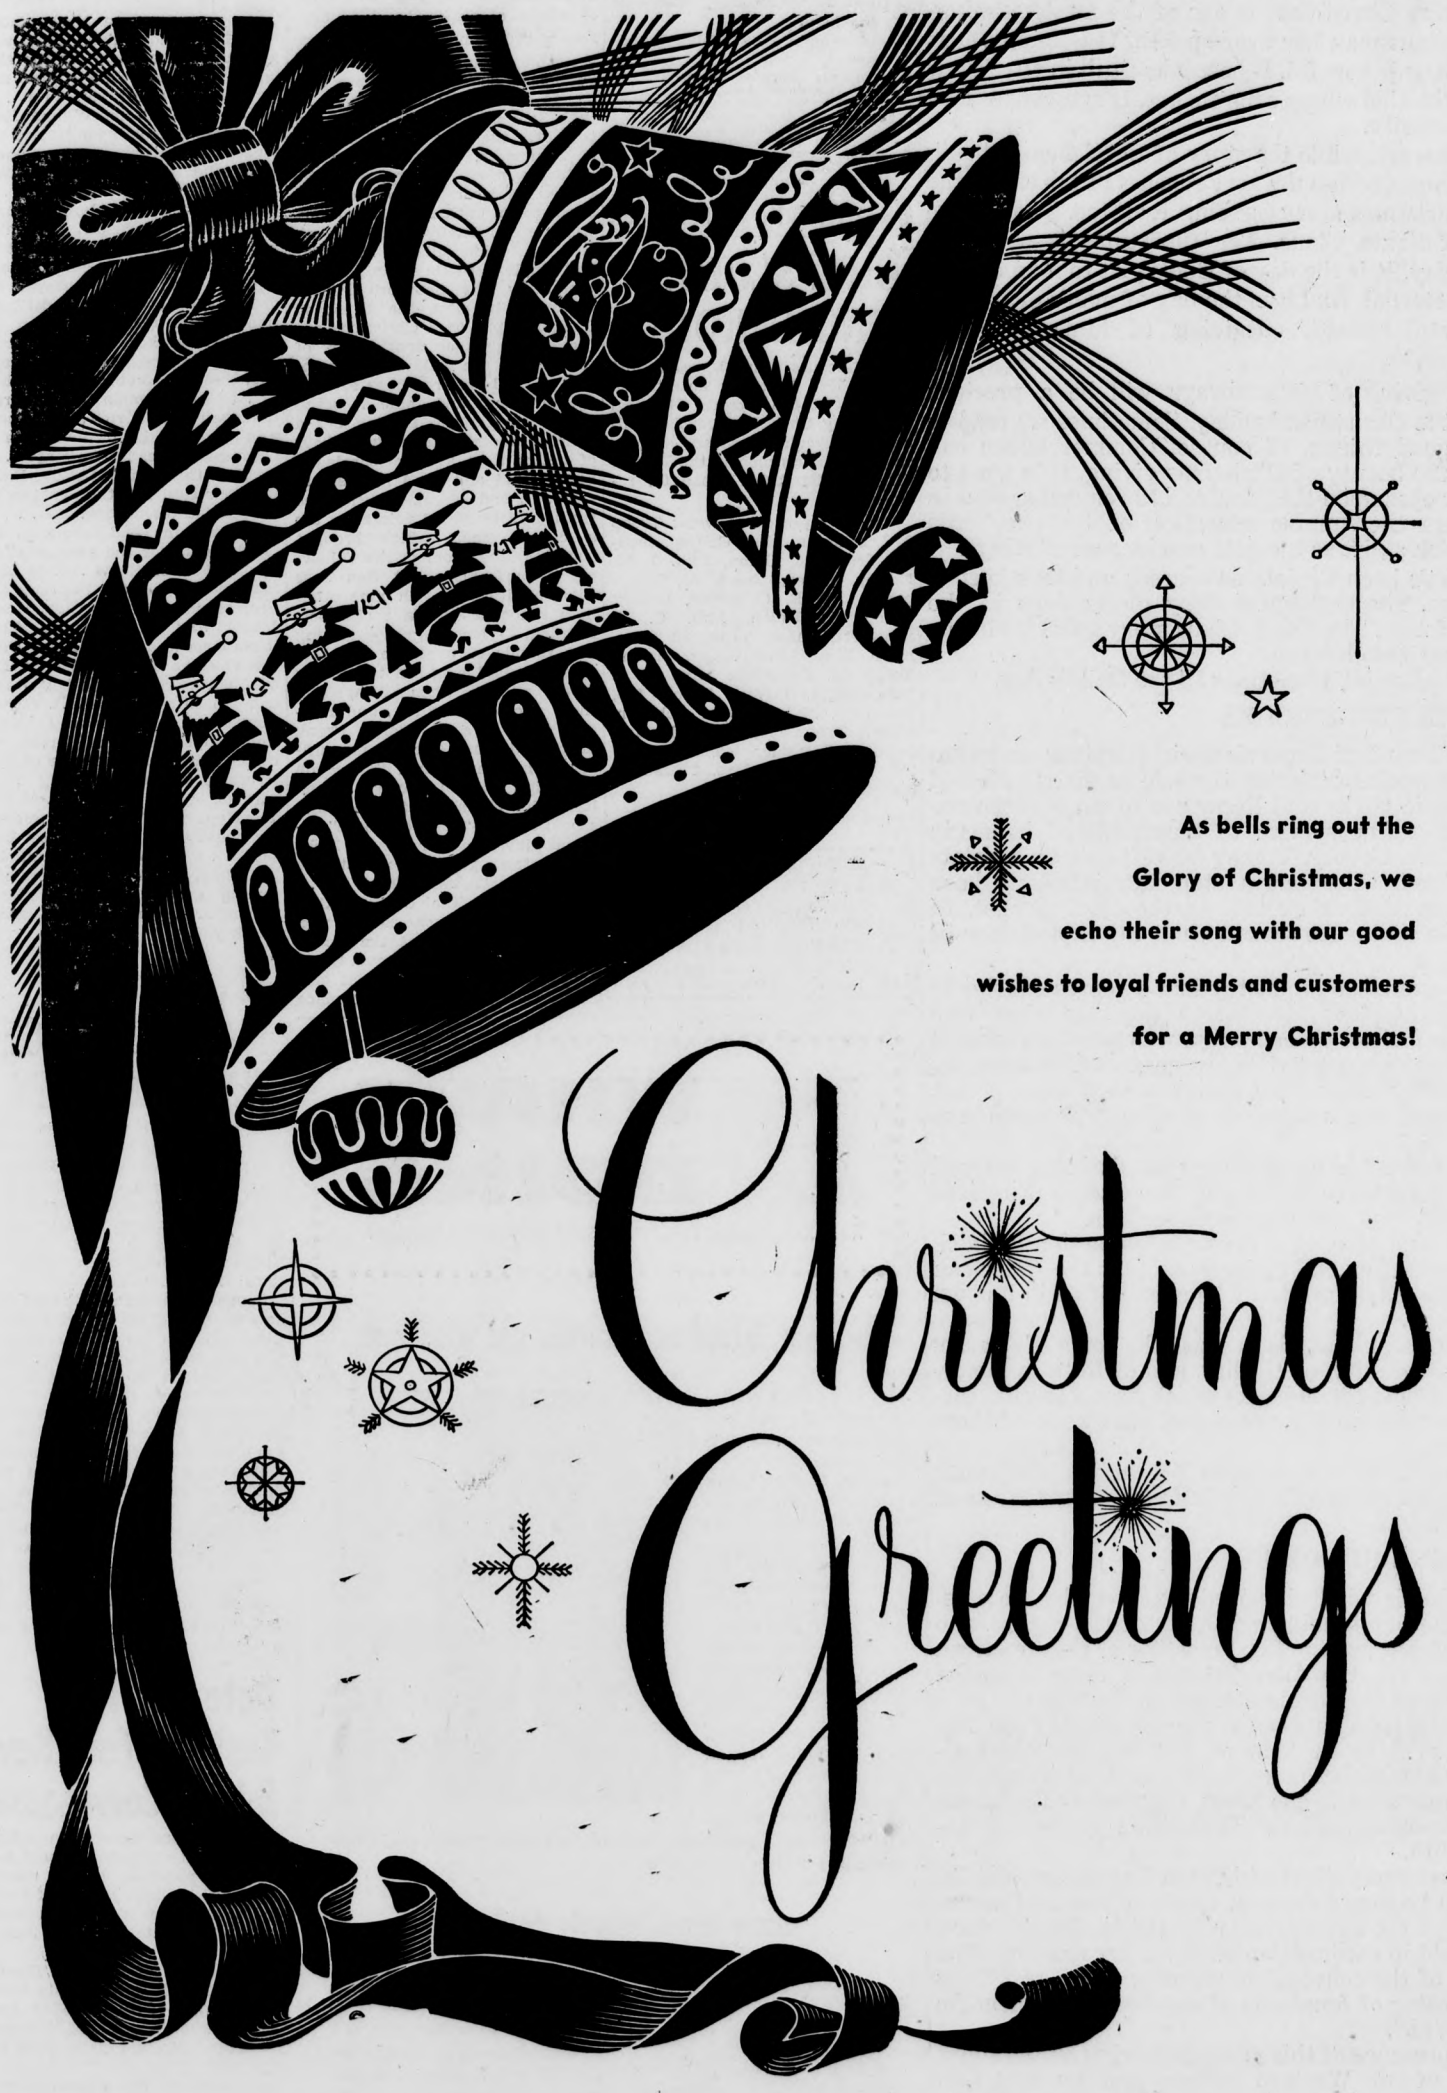
By Clara Beebe Baldwin

Across the verdant valleys,
We hear the joy bells ring,
Telling under azure skies,
Of the birthday of a King.

The roses shed their perfume,
The glad birds sing above,
Tales of the infant Jesus,
And the Father's priceless love.

The sunshine fills our valleys,
Our hearts, with joy are stirred,
As we hear the Christmas carols,
Sweetest music ever heard.

The age-old message fills our hearts,
Of peace on earth—good will to all,
We give, and share, on this glad day,
And sharing, heed the Father's call.



As bells ring out the Glory of Christmas, we echo their song with our good wishes to loyal friends and customers for a Merry Christmas!

DeMolay Mothers Have Gala Party

DeMolay Mothers Club of Campbell held a gala Christmas party last Friday evening in the rumpus room at the home of Mr. and Mrs. Joseph Feasel of 201 Rincon Avenue. For the occasion the room was decorated with Christmas greenery, lighted candles, a Christmas tree and a roaring fire in the fireplace.

Members passed the evening trying to stump the others in games of charades and in singing carols. Gifts were exchanged after refreshments of ice cream and home baked angel food cake.

Those attending the party were Mesdames Harriet Edsinger, Virginia Ward, Cecilia Cohee, Virginia Dolanski, Molly Todd, Margarette Franeschini, Virginia Reinschmidt, Beth Delzell, Hilda Mortensen, Lee Feasel, Vivian Faulkner, Alice Gupton, Rosetta Sutton, Sue Davis, Mildred Swenson and Bonnie Pinkston.

Winner To Save Prize Money For A Rainy Day

Mrs. Emma Cates, of 925 Juanita Avenue, who won second prize in the tablecloth classification of the 1954 Nationwide Crochet Contest, was formally notified of her prize last Friday afternoon by the New York office of the National Needlecraft Bureau. She was awarded $75 and a certificate of merit with a yellow ribbon. The delay in notification was caused by the letter being sent to the wrong address.

Mrs. Cates was first place winner in the tablecloth division of the Santa Clara County Fair which made her eligible for the national contest. The winning crocheted pieces were selected from over 3,000 entries, on the basis of general appearance, beauty of design and workmanship.

Mrs. Cates says it isn't the money that matters so much it's the feeling of achievement and satisfaction that comes with doing work well that really counts and that she plans to save the money for a rainy day.

DARIEL MARTIN CLAIMS CAROL WEEKS AS BRIDE

The altar of the Church of Christ, banked with red poinsettias and white carnations, was the setting for the formal marriage of Carol Joan Weeks and Dariel D. Martin last Sunday afternoon. The rites were read by Reverend Robert Todd.

Joan is the daughter of Mr. and Mrs. Albert Weeks, who recently moved from Campbell to 12890 S. First Street, San Jose, and sister of Noel, Janet and Karen. She graduated from Campbell High School this past summer.

Dariel is the son of Mr. and Mrs. Shavor Martin of 34 Jane Ann Way and brother of Merle and Beverly Ann. He is a graduate of Campbell High School and at the present time is a Corporal in the Air Force stationed in Bermuda.

For her wedding Carol chose a gown of white satin with fitted bodice and bouffant lace over skirt which featured a small chapel train. Her shoulder length veil was caught to a crown of starched lace and she carried a cascade bouquet of bouvardia and white orchids. She was given in marriage by her father.

Maid of Honor was Noel, who wore a red velvet princess gown and carried a bouquet of red and white carnations for her sister's wedding. Janet acted as bridesmaid and also wore a red velvet gown and carried a bouquet of carnations. Flower girl was Karen, youngest sister of the bride, who wore a red velvet gown while tossing flower petals from her basket. Jay Martin performed the duties of best man. Ushers were Bob Shockley and Johnny Oldham.

For her daughter's wedding, the mother of the bride wore a brown suit with brown accessories and pinned on a corsage of yellow carnations. The mother of the groom chose a gown of blue crepe with black accessories and pinned on a corsage of white carnations.

Following the wedding, a reception was held in the church hall for over three hundred guests. After cutting the four tiered wedding cake the young bride donned a blue velvet dress with white jacket and pinned on an orchid corsage from her bridal bouquet for a honeymoon trip to Carmel.

On December 28th the young couple will leave for Kennedy Air Base in Bermuda where they will make their future home.

Past Grands To Fill Baskets

Members of the Past Noble Grands Club voted to contribute $5 to buy Bingo prizes for the Christmas party to be held at the Odd Fellows Home in Saratoga and $15 for the needy family food baskets when they met last Thursday evening in the home of Mrs. Dora Bongiovanni on Rosewood Avenue.
